A front and back cover design that is a creative, colorful and unique interpretation of this years theme.

**Tips for a successful entry**

1. Use bold colors!
2. Be creative and use a mix of colored pencils, crayons, torn paper, paint or any other medium
3. Design all the space on the paper
4. Keep a consistent look between front and back cover

**What NOT to include**

1. Do not include the school name or year
2. Do not write out the theme on your artwork

**Submit Art On:**

1. Two 8.5 x 11 sheets of paper (for yearbook front and back)
2. Vertical Orientation (narrow side on top and bottom)

**To submit your entry:**

1. Write your name, your teacher's name and grade on the back of your artwork with pencil (do not use a Sharpie pen as it may bleed through and ruin your artwork).

3. One entry per student
